

## GCA M1235

35' Mid-Size Passenger Coach

## GCA M1235

Manufactured exclusively by General Coach America for ABC, the versatile M1235 is perfect for a full range of small group charter, commuter and shuttle applications. Assembled on a durable Freightliner S2 chassis, and featuring an optimized rear suspension package, the M1235 offers a smooth ride built for the long haul. Large, one-piece windshield enhances driver safety and gives passengers big tour bus viewing with unobstructed visibility. Ergonomic, low-profile dash assembly design clusters instrument readings to provide instant, accurate information to drivers. Rear cargo door features improved weather sealing and a new latch design.

**One-Piece Windshield**

**Ergonomic Cockpit**

**Improved Rear Cargo Door**
